

## Jue Engels

*Executive Coach, Leadership Trainer and Consultant*

### Who am I as a leader:

Having lived and worked in China, Australia, Singapore, Canada and Germany, I am a global citizen with over 25 years of extensive professional experiences in management consulting and training, as well as organisational development and executive coaching.

I have facilitated complex strategy development programs for global executive teams and change management processes for large international organisations. I have also conducted a series of workshops in managerial effectiveness, leadership development and change management. I have collaborated with various clients in different industries such as automotive, banking, education, financial services, health care and manufacturing.

As an independent management consultant I have led highly diversified teams and managed large complex projects in different countries successfully. In my prior corporate career, I have held managerial roles with global responsibilities in various business functions at Daimler Financial Services.

### My Coaching Approach:

It is my belief that coaching is also a core competency of leadership, which evokes brilliance, creativity, and positive energy of the others. My coaching style is **authentic, compassionate and coactive**. With a holistic and systematic approach, I will help you to build **deeper self-awareness** to gain new perspectives and insights through the evolving dynamics. As an attentive listener, I will **create a safe space** for you to discover your **personal values, life purpose and true passion**. I will support you to get out of your comfort zones, let go of limiting beliefs, while **discovering your unique talents and growing your full potentials**. I will support you to develop your **career vision and mission**, define your **career strategy and goals**, and guide you through the **transformational journey** to achieve them. I will inspire you to develop ideas and actions which will drive lasting success both personally and professionally.

By utilizing the positive intelligence approach, I will also help you to build up your capacity and resilience to respond to challenges with **growth mindsets**, so that you will be able to identify strategies and effective solutions to work through the challenging time and reach your goals.

I am a Certified Professional Co-Active Coach (CACC) and Associated Certified Coach (ACC) by the International Coaching Federation (ICF). The Co-Active model and principles have been regarded as the **“gold standards”** of coaching. I coach in English, German, Mandarin and Cantonese. I conduct coaching sessions face-to-face, online (Zoom/Teams/Skype) or via telephone.

I am looking forward to getting to know you and supporting you to create a wonderful new chapter in your professional life!
