I am a versatile Leadership and Career Coach with more than 20 years of diverse experience in various global HR management and expert positions in large enterprises. I have an excellent understanding of leadership, transformation processes, collaboration and business communication in a global context with a solid experience in consulting on top management level and in coaching leaders from different industries and cultures across a broad range of business topics and other individual challenges.

Do you want to change your career, bring it to the next level, or start something new as an entrepreneur?

The Career Coaching Sessions with me will support you in creatively discovering new possibilities, envisioning your professional future and defining clear achievable goals that are in harmony with your ambition, your values and your passion. This will enable you to make a conscious decision for the next step in your professional career and in taking on a role that brings out the best in you.
