## Comparison sheet

ESMT  
BERLIN

The ESMT Berlin MBA portfolio offers multiple programs to suit the schedules and career goals of busy professionals. Whether you are mid-level, senior-level, or striving to move up to the C-level, there is a program designed to complement your career change or progression. Working from a foundation of analytics, innovation and leadership, all ESMT MBA programs are designed to provide you with practical skills that you can use immediately to innovate and lead in today's global market. The Global Online MBA, Part-time MBA, Full-time MBA and the Executive MBA all give you access to a worldclass business education and global alumni network.

"The **Global Online MBA** helps us to see ourselves, understand people and teams, and lead organizations. It gives us lenses to see our cognitive biases and teaches us to make better decisions in a connected world. It also stretches us to learn different skill sets (including analytics, finance, marketing, and operations) and prepares us to orchestrate diverse teams and lead organizations in an ethical, agile, and entrepreneurial way."

**Juanjiangmeng Du**  
Independent Data  
Consultant  
GOMBA alumna

"Doing a **Part-time MBA** at ESMT, while working full-time, is challenging and one of the most rewarding experiences my professional career. ESMT has a strong focus on preparing its students applying data analytics to decision making. This practical and interactive approach allows me to immediately apply the concepts to my organization and work."

**Thorunn Devoy**  
Head of Partnerships  
at Talon.One  
Part-time MBA alumna

"Diversity was the most important factor in choosing the **Full-time MBA** program. With my ESMT MBA skills I can easily navigate across functional roles in my company, from sales, marketing, product to analytics. I acquired the tools to bridge the gap between these functional roles and to be successful in complex, fast-paced international environments. I am no longer bound to only one industry or function."

**Akshatha Hegde**  
Head of Strategy, Planning &  
Business tracking at Pleo  
Full-time MBA Alumna

"My classmates and faculty challenged my way of thinking. The ESMT **Executive MBA** was an excellent opportunity, which allowed me to refocus my career and opened doors to new opportunities that might not have existed otherwise. It was definitely hard work, but the rewards are a new perspective, new opportunities, and a new core group of trusted colleagues that I can lean on."

**Richard Voorberg**  
President at Siemens Energy  
North America  
EMBA Alumnus
