Reach your next level of leadership

Businesses improve their performance when they increase the number of women in leadership positions.

Despite this, many women taking on senior or executive-level roles still find an environment that presents challenges specific to their gender.

Women's Leadership Excellence is designed to offer a unique blend of networking opportunities, leadership development, coaching, and confidence-building activities to help you achieve your leadership goals.

Is this program for you?

- You are a female leader or executive with responsibility for a team(s) or large projects.
- You are a senior expert leading global projects or teams, transitioning to a senior leadership position.
- You are an outstanding female leader in other areas.

Key topics

- Explore and embrace unique women's leadership strengths
- Learn how to overcome behaviors and beliefs that limit your growth
- Build and leverage professional networks to reach your full leadership potential
- Self-discovery and personal growth through coaching and peer support
- Create presence and project confidence in diverse contexts
- Communicate and present with clarity and charisma

Teaching methods
