Current employment

Associate Professor of Economics with tenure, January 2013–present;
Faculty Lead of the MBA Program, April 2019–present;
Director of Research, January 2013–December 2016;
Associate Professor of Economics, January 2010–2013;
Assistant Professor of Economics, January 2007–January 2010;
ESMT Berlin, Germany.

Education

Dr. rer. pol. (summa cum laude). Thesis: *Network Effects, Compatibility, and Adoption of Standards: Essays in Empirical Industrial Economics*, Humboldt-University Berlin, Berlin, Germany, 2004.

MA in Economics (with Honors), Thesis: *Gender Discrimination in the Polish Labor Market*, Warsaw University, Warsaw, Poland, 1999.

Undergraduate studies in Economics, Columbia University, New York, U.S.A., Warsaw University, Warsaw, Poland, 1998.

Past employment

Visiting Fellow, Bruegel, Brussels, 2012-2019.

Research Fellow, Institute Competitiveness and Industrial Change, Social Science Research Center Berlin (WZB), Berlin, Germany, October 2002–December 2006.

Research Fellow, Institute of Industrial Organization, Department of Economics, Humboldt University, Berlin, Germany, August 2004–December 2006.

Teaching experience

ESMT Berlin, Germany

Intro to General Management (MBA, 2020)
Global Economy and Politics (Executive MBA, 2022)
The Global Economy (Executive MBA, 2020-2021)
The Global Economy (MBA, 2019, 2020)
The Global Economy (MIM, 2019, 2020)
Economics for Digital Business (MBA-Deutsche Telekom, 2019, 2021)
Business Economics (Part-time MBA, 2020-present)
Business Economics (MIM, 2016–2018)
Introduction to Economic Thinking (Executive MBA, 2007–present)
Introduction to Economic Thinking (Executive MBA-DOHA, 2018–2020, 2022)
Introduction to Economic Thinking (MBA, 2007–2021)
Markets & Regulation (MBA, 2008–2010)

Humboldt University, Berlin, Germany. Empirical Industrial Organization (undergraduate tutorial, 2006/2007).

Warsaw University of Technology Business School, Warsaw, Poland. Microeconomics (MBA, 2005–2007).

Warsaw University, Warsaw, Poland. Microeconomics (undergraduate tutorial, 2000).

Grants, awards and scholarships

President's Honor Roll for Teaching Excellence (Received), 2023, PTMBA: Business Economics, PTMBA Class 2023, Part-time MBA Program, ESMT Berlin, Germany, 2023.

President's Honor Roll for Teaching Excellence, Global Economy and Politics, Executive MBA, Executive MBA, ESMT Berlin, Germany, 2023.

President's Honor Roll for Teaching Excellence, The Global Economy, MIM, ESMT Berlin, Germany, 2021.

President's Honor Roll for Teaching Excellence, Introduction to Economic Thinking, Executive MBA, ESMT Berlin, 2016.

President's Honor Roll for Teaching Excellence, Introduction to Economic Thinking, MBA, ESMT Berlin, 2011, 2012, 2013, 2015, 2018.

Supporting, Leibniz Association, BCCP Berlin Centre for Consumer Policies: New solutions for the sustainable production of raw materials, (with Özlem Bedre-Defolie, Raji Jayaraman, Stefan Wagner), 2019–2023

Supporting, Leibniz Association, BCCP Berlin Centre for Consumer Policies, (with Paul Heidhues, Özlem Bedre-Defolie, Sascha Steffen), April 2015–March 2019.

Co-principal, Research grant for a paper presented at the NBER Conference on Patents, Standards and Innovation (with Joseph Clougherty), 2011.

Co-principal, NET Institute (Stern School of Business, NYU) Summer Research Grant (with Tobias Kretschmer), 2006.

Supporting, Verein für Socialpolitik Award for presentation held at the Annual Congress of the European Economic Association in Amsterdam, August 2005.

Humboldt University and Free University, Scholarship for PhD Program "Applied Microeconomics", October 2000–September 2002.

Warsaw University, Scholarship for PhD Program in Economics, October 1999–September 2000.

Academic service

Associate editor at the *Information Economics and Policy*, 2011–present

Ad-hoc referee for: Management Science, RAND Journal of Economics, International Journal of Industrial Organization, Journal of Industrial Economics, Review of Industrial Organization, Information Economics and Policy, Telecommunications Policy, Journal of International Business Studies, Organization Science, Quantitative Marketing and Economics, Applied Economics Quarterly, Journal of Industrial and Business Economics; Journal of Law and Economics; Research Policy; Strategic Management Journal.

Invited seminars

Eggers, J.P., M. Grajek, and T. Kretschmer. *Experience, Consumers, and Fit: Performance implications of pre-entry technological and market experience in mobile telephony*. IB and Business Law Research Seminar. University of Illinois at Urbana-Champaign. 2 March 2018.

Clougherty, J.A., and M. Grajek. *Identifying critical mass in the global cellular telephony market*. IB Research Seminar. University of Illinois at Urbana-Champaign. 2 November 2012.

Grajek, M., and T. Kretschmer. *Measuring critical mass in the global cellular telephony market*. Research Seminar. Telecom ParisTech. 5 April 2012.

Grajek, M., and L.-H. Röller. *Regulation and investment in network industries: Evidence from European telecoms*. Research Seminar. Vienna University of Economics and Business. 6 May 2011.

Grajek, M., and T. Kretschmer. *What does market share buy you? An empirical investigation of first-mover advantages in the mobile phone industry*. University of Amsterdam. 24 September 2010.

Grajek, M., and L.-H. Röller. *Regulation and investment in network industries: Evidence from European telecoms*. Economics Seminar. Tilburg University. 21 October 2008.

Friederiszick, H., M. Grajek, and L.-H. Röller. *Analyzing the relationship between regulation and investment in the telecom sector*. Research Seminar. Erlangen-Nuremberg University. 11 June 2008.

Friederiszick, H., M. Grajek, and L.-H. Röller. *Analyzing the relationship between regulation and investment in the telecom sector*. Regulation and Competition Seminar. University Pompeu Fabra, Barcelona. 24 April 2008.

Grajek, M., and T. Kretschmer. *Usage and diffusion of cellular telephony, 1998–2004*. Research Seminar, Central European University (CEU), Budapest. 10 December 2007.

Grajek, M. *Estimating network effects and compatibility in mobile telecommunications*. Research Seminar, Center for Digital Technology and Management, Munich University (LMU). 11 May 2007.

Clougherty, J. and M. Grajek. *The impact of ISO 9000 diffusion on trade and FDI: A new institutional analysis*. Economics Department Research Seminar, Warsaw University. 1 March 2007.

Selected conference presentations

Grajek, M., K. Gugler, T. Kretschmer, I. Miscisin. Static or dynamic efficiency: Horizontal merger effects in the wireless telecommunications industry. 16th International Industrial Organization Conferences, Kelley School of Business, Indiana University, Indianapolis, 21 April 2018.

Grajek, M., K. Gugler, T. Kretschmer, I. Miscisin. *Merger effects in the wireless telecommunications industry*. Business and Public Policy workshop, INSEAD, Fontainebleau. 6 November 2017.

Briglauer, W., C. Cambini and M. Grajek. *Regulation and investment in European high-speed broadband infrastructure*. Annual Conference of the European Association for Research in Industrial Economics, EARIE, Nova School of Business and Economics, Lisbon. 28 August 2016.

Briglauer, W., C. Cambini and M. Grajek. *Regulation and investment in European high-speed broadband infrastructure*. 11th International Conference on Competition and Regulation, CRESSE, Athens University of Economics and Business, Rhodes. 1 July 2016.

Briglauer, W., C. Cambini and M. Grajek. *Regulation and investment in European high-speed broadband infrastructure*. Business and Public Policy Workshop, ESADE, Barcelona. 22 April 2016.

Clougherty, J., M. Grajek, and O. Shy. *International quality standards and competition in the international markets*. Business and Public Policy in a Global Economy Conference, McDonough School of Business, Georgetown University, Washington DC. 13 March 2014.

Eggers, J.P., M. Grajek, and T. Kretschmer. *Performance implications of core and complementarity pre-entry. The role of consumers' heterogeneity in mobile telephony*. Workshop on Telecommunications Economics, Barcelona. 13 March 2013.

Grajek, M., and T. Kretschmer. *Measuring critical mass in the global cellular telephony market*. Annual Conference of the European Association for Research in Industrial Economics (EARIE), Rome. 2–4 September 2012.

Eggers, J.P., M. Grajek, and T. Kretschmer. *Decomposing first mover advantages in the mobile telecommunications industry*. 3rd Workshop on the Economics of ICTs, Oporto. 22 March 2012.
