ESMT Berlin offers partial scholarships to part-time MBA program for displaced Ukrainians

For displaced persons from Ukraine, ESMT Berlin is offering partial scholarships for the next intake of its part-time Master of Business Administration (MBA) program starting in September. Candidates who meet the application requirements may compete for one of three scholarships with a tuition reduction of 50%.

The [ESMT Part-time MBA](#) is 24-month program, in which 25% of the program is delivered in-person in Berlin or Munich. Students may continue to work full-time, as program participants only have to be away from the office for 28 working days in the two-year period. The program starts with a week-long residency in Berlin, encompasses 12 additional residencies (Thursday lunchtime to Saturday evening) in Berlin or Munich, and concludes with a one-week international study tour. Students of the program have access to an innovative online learning platform used collaboratively across the [FOME alliance](#), comprising 12 internationally renowned business schools.

Applicants to the ESMT Part-time MBA should have at least three years of work experience. Scholarship candidates must demonstrate that they are aligned with the values of ESMT, are committed to their own learning and development, and are ready to support others in theirs. Candidates who would like to apply for a scholarship should use the [general online application form](#).

These part-time MBA scholarships are just one measure with which ESMT supports Ukrainian students. With the BMW Group Fellowships for Ukraine, ESMT is also offering up to ten female refugees from Ukraine the opportunity to participate in the ESMT Global Online MBA at no cost.

About ESMT Berlin

ESMT Berlin is the highest ranked business school in Germany and top 10 in Europe. Founded by 25 leading global companies, ESMT offers master's, MBA, and PhD programs, as well as executive education on its campus in Berlin, in locations around the world, online, and in online blended format. Focusing on leadership, innovation, and analytics, its diverse faculty publishes outstanding research in top academic journals. Additionally, the international business school provides an interdisciplinary platform for discourse between politics, business, and academia. ESMT is a non-profit private institution of higher education, accredited by AACSB, AMBA, EQUIS, and FIBAA, and is committed to diversity, equity, and inclusion across all its activities and communities. www.esmt.berlin
