

## Press information

Berlin, August 1, 2022

### **ESMT Berlin welcomes Nazlı Sönmez to faculty**

**As of August 1, 2022, Nazlı Sönmez has joined the faculty of ESMT Berlin as an assistant professor of management science.**

Nazlı Sönmez's research uses data and models to better understand operational innovations that can solve problems in healthcare delivery and improve patient outcomes. Before joining ESMT, Sönmez earned her PhD in management science and operations from London Business School in 2021 and worked as an assistant professor of operations management in the faculty of business administration at Bilkent University in Turkey. Her teaching focuses on methods of causal inference, statistical research methods, machine learning, applications in operations management, business forecasting, and business analytics.

With Nazlı Sönmez, ESMT has 43 faculty members from 19 countries.

#### **About ESMT Berlin**

ESMT Berlin is the highest ranked business school in Germany and top 10 in Europe. Founded by 25 leading global companies, ESMT offers master's, MBA, and PhD programs, as well as executive education on its campus in Berlin, in locations around the world, online, and in online blended format. Focusing on leadership, innovation, and analytics, its diverse faculty publishes outstanding research in top academic journals. Additionally, the international business school provides an interdisciplinary platform for discourse between politics, business, and academia. ESMT is a non-profit private institution of higher education, accredited by AACSB, AMBA, EQUIS, and FIBAA, and is committed to diversity, equity, and inclusion across all its activities and communities.
